Past and Present

Some General Information

Location

Louisburg College is located at Louisburg, the county seat of Franklin County, in eastern North Carolina. The college is situated on the highest points of land in the town, and its buildings command a fine view of the surrounding country and the valley of the Tar River. The town of Louisburg, with a population of about three thousand, contains few of the distractions of the city, but it offers rapid and convenient transportation to nearby cities. It is about thirty miles northeast of Raleigh, the state capital, forty miles east of Durham, and about a hundred and fifty miles from the North Carolina beaches on the Atlantic.

Louisburg is the coeducational junior college of the North Carolina Methodist Conference. As a junior college it has served primarily three types of students: those who seek a solid academic foundation in order to transfer to a four-year college; those who seek to bridge the gap between high school and a large institution by attending a small college capable of giving them personal attention; and those who plan terminal work at the freshman or sophomore level, as in business or medical technology.

Ideals

As a college and as a Methodist institution, Louisburg holds up to its students the ideals of Christian character, sound scholastic achievement, general cultural growth, and social responsibility. The college attempts to (1) equip students to search for truth and to appreciate beauty; (2) promote physical and mental health, clean sport, wholesome recreation, and creative use of leisure; (3) open the door to a liberal education and proficiency in a career; and (4) help students to establish Christian values for personal enrichment and for the fulfillment of their responsibilities to God and to their fellow-man.

Accreditation

Louisburg College is accredited by the Southern Association of Colleges and Secondary Schools, the University Senate of the Methodist Church, and the North Carolina Board of Education. In addition, it is a member of the American Association of Junior Colleges, the North Carolina College Conference, the Southern Association of Junior Colleges, the North Carolina Council of Church-Related Colleges, the Southeastern Conference of Church-Related Colleges, and the North Carolina Junior College Athletic Conference.

Campus

The campus of the college covers an area of about forty acres. It contains an oak grove, modern college buildings, driveways, lawns, tennis courts, varsity athletic field and an intramural athletic field.

Sixteen buildings are located on the campus: the Main Administration Building, the West Wing of the Administration Building, the Davis Memorial Building, the Pattie-Julia Wright Memorial Dormitory, Trinity Hall, the new women's dormitory, the Franklin County Building, the Fine Arts Center, the Gymnasium, the Benjamin N. Duke College Union, the Faculty Apartments, the library, the Central Heating Plant, the Auditorium-Classroom Building, the Maintenance Building, and the old Franklin Academy Building. In addition, the college owns the residence of the Dean of Students, also located on the campus.

Buildings

The *Administration Building (Old Main)*, a four-story brick building, was opened in 1857. In it are located the president's office, the social hall, the post office, and some academic offices. Main, with its Greek Revival facade, has typified the historic Louisburg College to generations of alumni.

Davis Memorial Building was erected in 1913 as a memorial to Matthew S. Davis, president of the college from 1896 to 1906. Davis Building contains the offices of the deans, business and administrative offices, some faculty offices, and the "Little Chapel." The third floor contains a dormitory for second-year students.

The *West Wing* of the Administration Building was erected in 1924 and contains a Trustee Conference room, Testing and Guidance rooms, offices, and the infirmary.

The *Pattie Julia Wright Memorial Dormitory* was the gift of Mr. R. H. Wright of Durham, North Carolina, in memory of his sister, Pattie Julia Wright, who was a member of the class of 1868. This dormitory accommodates one hundred and six women.

The *Franklin County Building* was constructed in 1927 with funds donated by the people of Franklin County in appreciation of the more than one hundred and fifty years of service rendered to the community by the college. It contains science laboratories and lecture rooms, the testing and guidance office, and 44 dormitory rooms on the upper floors.

The *Benjamin N. Duke College Union Building* is a memorial to Mr. B. N. Duke, who gave Louisburg College to the North Carolina Conference in 1907. Erected in 1958, this building contains the cafeteria, the student supply store, and the soda-shop.

The *Auditorium-Classroom Building*, located on the east side of Main Street, contains an auditorium with a seating capacity of 750, eighteen classrooms, faculty and student lounges, faculty offices, and the drama workshop.

The *residence of the Dean of Students* is an eight-room house on the campus. It is readily accessible from the college buildings.

Trinity Hall is a 96-bed men's dormitory, completely modern in style and furnishings and equipped with lounges on each floor. It was occupied by students in the fall of 1962.

The new, modern *women's dormitory*, opened in 1963, houses 104 women.

The *Fine Arts Center*, first used during the 1963-1964 session was extensively remodeled to house the Art Department and the Music Department.

Facilities

The *Library Building*, a thoroughly modern air-conditioned structure combining traditional and contemporary architecture, was opened in 1965. It contains around 25,000 volumes and seats 250. It has a 100-seat auditorium-lecture-audio-visual room and houses the foreign language laboratory. The library is open from 8:00 a.m. to 10:00 p.m. daily.

The eight-family *Faculty Apartments* house faculty and staff and the supply pastors

Laboratories for the sciences and modern languages are well-equipped and are being constantly improved. The chemistry laboratories are located on the first floor of Franklin Building. One laboratory is completely equipped for individual work in general and organic chemistry, and a second for individual work in analytical chemistry, both qualitative and quantitative. These laboratories are supplied with both basic and specialized chemical apparatus from a large and well-stocked supply room on the same floor and a complete stock of both

inorganic and organic chemicals. Also located on this floor is a modern instrumental laboratory containing the latest equipment for chemical instrumentation, including analytical balances, mettler balances, pH meters, a potentiometer, spectrophotometers, colorimeters, a conductivity bridge, and a nuclear chemistry apparatus. All laboratories have been recently remodeled, with particular attention to lighting, to create an attractive environment for laboratory work. Adjacent to the laboratories are two classrooms equipped for lecture demonstrations.

The botany and zoology laboratories occupy space in the basement of Franklin Building. The equipment includes individual apparatus for dissection, models, a microprojector, a lantern-slide projector, and an ample number of microscopes.

Also located on the first floor of Franklin Building is the laboratory for physics.

A completely new language laboratory utilizing the EFI Learning Systems is located in the new library. It contains 20 positions in addition to audio-visual aids, foreign language records, and listening and recording devices.

The *Infirmery* is located on the second floor of the West Wing. It contains a waiting room, an office for the college nurse, a bath, a ward room, a supply room, and a kitchen equipped for the preparation of special diets. Rooms are reserved in the dormitories for students whose illnesses make special attention necessary.

The *Central Heating Plant* was erected in 1956 at a cost of about \$150,000. It provides heat and hot water for all the buildings on the West Campus.

History

Evolving from three earlier institutions – Franklin Academy, Louisburg Female Academy, and Louisburg Female College – Louisburg College is the oldest chartered denominational junior college in the nation.

In 1779 the legislature of the infant state of North Carolina organized a new county to be named for the foreign minister to France, Benjamin Franklin, who had recently negotiated a mutual defense alliance that would make the independence of the new states possible. On an ancient Indian trading ground on the banks of the Tar River, the legislature authorized the settlement of the county seat. In honor of Louis XVI, the reigning French monarch, the grateful legislature named the county seat Louisburg, and in the town charter a public commons was set aside on the highest point of ground. This town commons is today

the campus of Louisburg College, an institution born when this nation was young, and now with this nation it is growing to maturity.

In 1786, three years after the winning of the Revolution, enlightened citizens of Louisburg, now a tiny village nestled on the fords of the Tar, petitioned the legislature for an academy. On January 6, 1787, Franklin Academy was chartered, and a contract was signed for the construction of an academy building. At this time there is no further evidence of the operation of the first academy, but in 1802 the academy was rechartered by a new board of trustees, which included Major Jeremiah Perry, a soldier of the Revolution; Major Green Hill, a founder of Methodism in North Carolina; John Haywood, a judge of superior court and former state attorney general; and Dr. Alexander Falconer, a scientist and a graduate of St. Andrews College, Scotland.

Franklin Academy opened on January 1, 1805, in a two-story frame building which had been constructed the previous year and which still stands on the east campus of Louisburg College. Offering a classical curriculum, the academy was under the able direction of a recent graduate of Yale, Matthew Dickinson, who was a maternal uncle of Cyrus W. Field, the layer of the first trans-Atlantic cable. On July 2, 1805, the first examinations were held at the academy in English grammar, geography, Latin, and French. The following day, before “. . . a most numerous assemblage of ladies and gentlemen . . .,” the students delivered orations and dialogues, and acted a play.

Dickinson offered two levels of instruction. The first consisted of Reading, Writing, Arithmetic, English Grammar, Geography, Belles Lettres, and Rhetoric; the second embraced “. . . Ethics and Metaphysics, the Latin, Greek, Hebrew, French, and Italian languages, and the higher branches of Metaphysics and Philosophy, viz: Algebra, Geometry, Trigonometry, Conic Sections, . . . Surveying, Navigation, Natural Philosophy, and Astronomy . . .” The academy prospered and was soon housing seventy students annually; at one time because of a disciplinary dispute at the University of North Carolina twenty students from Chapel Hill enrolled in the academy. A Connecticut visitor described the academy in 1808 as a “. . . pleasant building on the hill . . .,” and noted Dickinson’s observation that “. . . literature is much respected in these parts and literary men revered . . .” After female instruction was added in 1813, Franklin Academy was known as Louisburg Male Academy. Two notable headmasters of Louisburg Male Academy were John B. Bobbitt of the University of North Carolina, who served two terms – 1816-1820 and 1832-1843 – and Matthews S. Davis of the University of North Carolina, who served 1856-1881.

In the female department young ladies are to be instructed, so the

opening announcement read, in "Reading, Writing, English Grammar, Arithmetic, Geography, Astronomy, Painting, and Music; also useful and Ornamental Needle Work of almost every description." A legislative document of 1814 incorporated the Trustees of the Louisburg Female Academy and provided for the deeding to the academy of any of the unappropriated town lands. The original building for this school, erected in 1814, was described by the commissioners, in inviting bids for construction, as 30 by 20 feet, 2 stories – 11 and 9 feet pitch – two rooms above, 18 by 20 and 12 by 20 feet – three 6-paneled doors – four 18 and four 8 light windows below, and six 16 and four 8 light windows above – to be built of good hard timber – with two chimneys of brick or hewn stone, and underpinned with the same – to be ceiled within and painted without."

The new building completed, Miss Harriet Partridge, "a lady from Massachusetts, eminently qualified," became the "preceptress." The early records reveal that by 1817 there was an average enrollment of seventy-five and that the preceptress received an annual salary of five hundred dollars. Miss Partridge was assisted by a Mr. John Lataste, who was distinguished, according to the official advertisement, by his "universally acknowledged qualifications in teaching music upon the Forte Piano, as well as his graceful and elegant manner of teaching dancing." By 1838 Latin and French had been added to the curriculum and instruction in the guitar and other instruments had been instituted.

Responding, in 1855, to the need for higher education of women, the Louisburg Female College Company was organized as a joint-stock enterprise to begin the work of converting the academy into a college. By a legislative act the company acquired interests in the academy ground, moved the academy buildings to another part of the property, and constructed a four-story brick Greek Revival structure at the cost of \$16,000. Instruction was begun in the fall of 1857 under the presidency of Mr. James P. Nelson of Maryland. During the Civil War the institution remained open until it was briefly closed near the end of the war. During the spring of 1865 the community was occupied by a Union cavalry force, which camped in the Oak Groves of the college campus. The college building was used as a hospital and the headquarters of General Judson Kilpatrick; the academy was utilized as a granary.

The post-war reconstruction years were lean years for the college. After opening and closing twice, the college reopened permanently in 1889 with an enrollment of about a hundred, under Mr. S. D. Bagley, who was assisted by eight teachers. A preparatory department was conducted in the old academy building. Mr. Matthew S. Davis, who had previously been principal of the male academy, became president in 1896 and held the office until his death in 1906, when he was suc-

ceeded by his daughter, Mrs. Ivey Allen.

During these latter years the college had been run under the care of the Methodist Church, although the church had given nothing to its support and in theory it had continued to belong to the stock company. By virtue of money he had lent to the institution of Mr. Washington Duke, the Durham philanthropist, had by 1891 become the real owner. In 1907, upon Mr. Duke's death, his son, Mr. Benjamin N. Duke, presented the property to the North Carolina Conference of the Southern Methodist Church. In 1911 the three-story Davis Building was erected as a memorial to Matthew S. Davis. In 1915, under the presidency of Mrs. Allen, the college was reorganized with junior-college rating.

Under the presidency of A. W. Mohn, the years 1922 to 1929 were a period of building expansion. During this period the West Wing, the Pattie Julia Wright Dormitory, and the Franklin County Building were erected.

The college entered another period of crisis in 1928 when disastrous fires destroyed the old academy building and gutted the main floors of Main building and the West Wing. Closely following the fire came the Depression of 1929, and the college was burdened with heavy debt and a shrinking enrollment. In 1931 under the presidency of Dr. A. D. Wilcox, the college became coeducational. By the end of World War II the college debts had been paid, particularly during the administration of Dr. D. E. Earnhardt, 1936-1939, and Dr. Walter Patten, 1930-1947. Under the presidency of Samuel M. Holton, 1947-1955, the gymnasium was built and the college received accreditation.

The most rapid development in the history of the college has occurred under the leadership of Dr. Cecil W. Robbins, who became president on July 1, 1955. The student body has more than tripled; the budget, the faculty, and the physical plant have more than doubled. The central heating plant was completed in 1956. The Benjamin N. Duke College Union was opened in 1959; in 1961 the college acquired Mills School property on the west side of Main Street, thereby restoring the original campus of the Franklin Academy as designated in 1787. Trinity Hall, a men's dormitory, was opened in 1962. The Auditorium-Classroom Building (1961) was remodeled from the old Mills School, and an adjacent modern brick structure has been remodeled as a Fine Arts Center. A 104-bed modern dormitory for women was opened in the fall of 1963, and in the fall of 1965 the new \$380,000 modern library building was occupied.

Plans

Future projections include the restoration of the academy building

and the construction of a science building, an addition to the cafeteria, a student center, an infirmary, a chapel, a president's home, and additional dormitories. Louisburg College expects to remain small, but it is working continuously to improve its physical facilities in keeping with its policy of providing quality education in a wholesome, Christian atmosphere.

Nondiscrimination

Louisburg College has filed with the Federal Government an Assurance of Compliance with all requirements imposed by or pursuant to Title VI of the Civil Rights Act of 1964 and the Regulation issued thereunder, to the end that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of this institution receiving Federal financial assistance. Under this Assurance, this institution is committed not to discriminate against any person on the ground of race, color or national origin in its admission policies and practices or any other policies and practices of the institution relating to the treatment of students and other individuals, including the provision of services, financial aid and other benefits, and including the use of any building, structure, room, space, materials, equipment, facility or other property. Any person who believes himself, or any specific class of individuals, to be subjected to discrimination prohibited by Title VI of the Act and Regulation issued thereunder may, by himself or a representative, file with the United States Commissioner of Education or with this institution, or both, a written complaint.

The Orientation Course is required of all first-year students. It includes lectures designed to promote the student's adjustment not only to college but to life, and deals with curricula, effective study habits, vocations, and personal and group adjustment. This program is scheduled during the first part of the fall semester.

Guidance Service. This service is designed to assist the student in dealing with the problems of his scholastic, vocational, social, and spiritual life through counseling, testing, orientation, and provision of information.

Each student is assigned a faculty adviser on the basis of his interests, course of study, and special requirements. The student is encouraged to talk to his faculty adviser when he needs confidential and sympathetic counseling. In addition, the Director of Testing and Guidance is available to all students for counseling.

All students entering college are given placement and aptitude tests chosen for the special purposes of educational and occupational guidance. Students who feel the need of additional tests and more thorough analysis of interests and aptitudes may use the facilities of the Testing and Guidance Office.

The Testing and Guidance Office maintains a library of educational and occupational information concerning the colleges to which the student may transfer, trade or technical schools, occupational opportunities, and scholarships.

Physical Well-being

Health Administration. Complete health service is offered the Louisburg College student. A graduate nurse is in attendance at all times in the dispensary, and practicing physicians of the town make regular calls. Students who contract minor illnesses are promptly transferred to the infirmary to ascertain proper care and to ensure the health of the college community. In case of serious illness parents or guardians are notified at once, but if they cannot be reached speedily enough in an emergency, the college will make whatever provision is deemed expedient by the college physicians. The Franklin County Memorial Hospital, newly and modernly equipped, is located in Louisburg, and its facilities are available to the college and its students.

Each prospective student is asked to return a questionnaire concerning his health history in order that the college staff may suggest any medical or surgical care advisable before the student comes to college. Additional examinations will be made whenever needed or requested, and records of these are referred to when questions arise concerning the amount of curricular and extracurricular work and physical activity the student can undertake. These records also serve as the basis of work toward correction of remediable defects.

Students whose examinations reveal physical defects are excused from the regular course in physical education and are assigned to corrective gymnastics or to sports especially adapted to their needs.

Physical Education. The major purpose of the physical-education program is to provide a variety of sports activities in a healthful and pleasant environment and to equip the college student with skills in sports that he may carry on in his leisure time and after graduation. Students who have a minor physical defect are offered a suitable type of exercise. The physical education program includes such varied intramural sports as tennis, softball, volleyball, basketball, soccer, track, horseshoes, ping-pong, baseball, archery, and badminton.

Monogram Club. Sponsored by the Director of Athletics, the Men's Monogram Club awards monograms to those who have revealed marked ability in athletic activities. Its aim is to foster superior ideals of sportsmanship.

Cultural and Social Activities

Cultural Program. A significant aspect of education is the development of the student's capacity to appreciate and enjoy the expressions of his own cultural tradition in art, literature, music, and ideas. Much of the regular curriculum is devoted to this effort; but the college strives toward this goal in other areas as well.

The Louisburg College Concert Series features various performers in the concert field as well as the outstanding lecturers and artists who appear on the assembly programs. A Fine Arts Week each semester presents lecturers, vocal and instrumental performers, and exhibits of paintings by artists of national and state reputation.

Student creative contributions are encouraged in the dramatic club, the glee club, the newspaper, and the literary magazine. Students also enter their sculptures, crafts objects, ceramics, photographs, and paintings in exhibits in the Fine Arts Building.

Campus Life

at Louisburg

The friendly atmosphere of Louisburg is attainable only in a small college. Strangers on the campus note with pleasure that they too are included in the general affability resulting in part from the special faculty-student relationship that prevails. The student who likes to discuss his activities and problems with adults finds that his faculty advisor or any faculty member is glad to talk to him. On the other hand, the young person who has achieved a degree of maturity at which counseling is at most only a secondary need finds that his independence is respected.

Religious Influence

Louisburg College is a Methodist college which strives for the Christian development of its students as one of the foremost objectives of its program. Hence the administration does all in its power to create a congenial atmosphere which is conducive to the development of Christian character. To this end the college insists that the faculty be of contagious Christian character and do all in its power to develop and maintain Christian standards on the campus.

Courses in Old and New Testament, the life and teachings of Jesus and Paul, Christian doctrine and philosophy, and methods of church work are offered. The college observes a Religious Emphasis Week in the fall of each year, when a visiting minister conducts meetings daily. The students are urged to attend and take an active part. Louisburg's well-established churches of three leading denominations afford opportunity for training in worship and in the practice of approved methods of church work. Under the guidance of the Director of Religious Activities, students are urged to join in some form of religious activity in addition to required weekly chapel attendance.

Town and Country Church Work. In cooperation with the Commission on Town and Country Work of the North Carolina Conference and other agencies of the Methodist Church, Louisburg College offers a curriculum for those preparing for the ministry and for local church service. A member of the college staff who is a specialist in this work is available for field work.

Christian Associations. The Young Men's Christian Association and the Young Women's Christian Association combine to form the inter-denominational Christian group of the college. Its purpose is to emphasize the Christian way of life in the midst of college activities and educational pursuits. Membership is open to any young man or woman in sympathy with Christian ideals. The program consists of weekly services of worship and social activity in the interest of creating a Christian atmosphere on the campus. A faculty advisory committee assists in the work of the organization.

Chapel. A chapel service is held each Wednesday morning. The trustees and the faculty regard the chapel exercises as an integral part of the work of the college; accordingly, regular attendance is required of all students. Faculty members and student organizations offer programs, and the ministers of the town and nearby communities are invited to present religious messages.

Personal Development

The Orientation Program. The orientation program assists the student in adjusting to college living and to increased responsibility for himself and his academic progress. It is designed to help students become intelligent citizens in the college community. The Freshman Orientation Week at the beginning of the fall semester includes:

1. Informal gatherings, lectures, and various student activities which induct the freshman into the group and acquaint him with the customs and traditions of the college. Placement and aptitude tests are given during this period, and the results of these tests provide the faculty with information essential to effective care and guidance.
2. Library talks conducted by the librarian with small groups of freshmen. The students explore the facilities of the library and are initiated into the use of the card catalogue, reference books, the reserve system, and other features.
3. Discussions with the freshmen led by well-qualified persons and centering on topics such as the objectives of college education, how to budget one's time, techniques of study, personal hygiene, dormitory life and behavior, the grading system, and the curricula.
4. Chapel and assembly talks given by members of the faculty and by students in the first few weeks of the fall semester on the various problems of campus life.

Social Life and Entertainment. The small, church-related college offers distinct social advantages. The democratic atmosphere among students is a conscious objective of social life at Louisburg. The Social Committee of the faculty maintains a balanced program of social activities, some of which are annual traditions of long standing. These events are keenly anticipated by students, faculty, and friends of the college.

The *reception for new students* held regularly during the orientation period is the first formal function of the school year.

Alumni Day is held in October featuring class reunions and a varied program.

Parents' Day, held each year in late October, brings hundreds of parents to the campus for fellowship and information about the college.

The *home-coming week end and dinner* are held each February and attended by a large number of alumni.

The *winter dance* in December is annually sponsored by the sophomore class.

May Day, sponsored by the Department of Physical Education, is a gala event held the first week end in May. The May Queen and her court are annually presented at the May dance.

The *commencement program* includes the breakfast for graduates on Saturday morning; the annual alumni banquet on Saturday night; the baccalaureate sermon on Sunday; commencement exercises Sunday afternoon, including the awarding of degrees and honors; and, after the commencement exercises, the president's reception for the graduates, their parents, and friends.

Other traditional activities are class and club entertainments, church socials, formal and informal faculty-student dinners, movies in the college auditorium, and concerts presented by the Department of Music. These events are carefully scheduled throughout the year so as to provide adequate social and cultural activities without overcrowding the calendar.

College Publications

The *Louisburg College Bulletin* is issued in October, December, January, February, March, April, and June, one issue being the catalogue number. Its purpose is to keep former students and friends of the college informed as to its problems and progress.

The *Oak* is the college annual. It is issued by the sophomore class

as the record and souvenir of the two classes present at the college each year.

Columns is the campus newspaper, edited by the students under the supervision of a faculty adviser. It appears once a month.

Student Organizations

Student Government Association. The organizational structure of the association is as follows: A Cabinet (composed of a president, a vice-president, a secretary and a treasurer—all elected by the students—in addition, the Cabinet has as its advisors the Dean of Students, plus an additional full-time faculty member, selected by the faculty); a Men's Council (composed of the following: a president, vice-president, secretary, treasurer, and the following representatives: one day student, two appointed representatives from each dormitory hall, one off-campus student, the president of the YMCA, and the highest ranking male officers of the freshman and sophomore classes); the Women's Council (organized similarly to the Men's Council, except that there is no off-campus student representative and there is the addition of the presidents of the two women's dormitories); Men's Judicial Board (composed of the officers of the Men's Council and advised by the Advisor of Men); Women's Judicial Board (composed of the officers of the Women's Council, the House Presidents and advised by the Advisor of Women).

The Student Government Association, within the framework of the rules and regulations set forth by the college administration, has the power "to make and enforce such rules as it may deem necessary for the maintenance of harmony and order within the student body. Cases involving personal immorality will be handled by the administration." It must be noted, however, that the Student Government Constitution recognizes the administration's right to review and reconsider any student government decision.

Phi Beta Lambda. The Louisburg College chapter of Phi Beta Lambda (College Division of the Future Business Leaders of America) is open to all students who are regularly enrolled in the Business Department. Membership is also open to students preparing for careers in business or in business teaching. This chapter, which is affiliated with both state and national organizations, provides a means for social contacts within the department and sponsors educational programs

pertaining to office practices and equipment and the selection of a vocation.

Glee Club. The Glee Club draws its membership from students with vocal talent. Selections which have wide appeal are studied at its weekly rehearsals, and stress is laid upon tone quality, shading, firmness of attack, phrasing, and interpretation. Concerts are given during the year at various Methodist churches throughout North Carolina.

The Louisburg Players. The Dramatic Club is composed of students interested in drama and acting. It presents several plays each year for college and community audiences. Occasional social activities are provided for its members, and various phases of drama and acting are discussed at its regular meetings.

YWCA and YMCA. The Young Men's and Young Women's Christian Associations underscore the Christian way of life in the midst of education pursuits and college activities. On the Louisburg campus these two combine their activities in joint bi-monthly meetings.

Denominational Groups. Five denominational groups are active on the campus—the Baptist Student Union, the Canterbury Club, the Newman Club, the Methodist Student Fellowship, and the Westminster Fellowship. Meeting in the Louisburg churches or on the campus, these groups enable interested students to maintain contact with their respective churches and to continue their religious growth along with their intellectual development.

The Friendship Circle. Composed of students interested in fulltime church work, the Friendship Circle meets weekly for worship, fellowship, and study. Deputation teams are selected from the club and present programs in nearby churches.

Radio Station WSLC. Radio station WSLC provides interested students with an opportunity to gain practical experience in all phases of radio communication—technical, commercial, programming, and announcing.

Young Democrats' Club and Young Republicans' Club. The YDC and YRC foster an understanding of the political philosophies of their respective parties. From time to time they invite political figures of state and national prominence to the campus.

Honor Fraternities

Phi Theta Kappa. This is a national character-scholarship fraternity holding the same rank in the junior college that Phi Beta Kappa holds

in the four-year college. The Gamma Upsilon Chapter of Phi Theta Kappa was chartered and organized at Louisburg College in the fall of 1939. Membership is open to students who have completed a semester in college with a B average, stand in the upper 10 per cent of their class, have achieved the proper number of quality points, are of good moral character, and possess recognized qualities of citizenship.

Alpha Pi Epsilon. Alpha Pi Epsilon is a national honorary secretarial fraternity open to students in the Business Department who attain a grade point average of B or better with A or B on specified business subjects. These students must have outstanding personalities and rank high in character. Unanimous election is necessary for membership.

Beta Phi Gamma is the national junior-college honorary journalistic fraternity. Its purpose is "to recognize individual ability and achievement in journalistic pursuits in junior colleges; to serve and promote the welfare of the junior college through journalism; to establish cordial relationships between the students and members of the profession; and to unite in a fraternity congenial students interested in journalism." Membership is open to students who have been duly registered at least a semester, who have a scholastic average of "C" (2) on the last semester's grades, and have qualified in their journalistic endeavors.

Delta Psi Omega. Delta Psi Omega is a national honorary dramatic fraternity whose purpose is to recognize and reward all phases of student participation in college dramatic art and stagecraft. To become a member a student must have done outstanding work in acting, written a play that has been produced, or done efficient stage workmanship of any type. He must maintain an average of C on his academic work.

Sigma Pi Alpha. Sigma Pi Alpha is a honorary language fraternity. Its purpose is to stimulate interest in and understanding of the language and life of foreign countries. Among the requirements for membership are a general academic average of not less than 80 per cent, an average in language courses of not less than 90 per cent, and registration in an intermediate or advanced language course.

Alpha Beta Gamma. Alpha Beta Gamma is a junior-college chemistry fraternity. The Epsilon Chapter was established at Louisburg College in May, 1955. Membership in the fraternity is open to students whose scholastic accomplishment is high both in chemistry and in other subjects.

Suggestions and Regulations

What to Bring to College. The college provides the necessary furniture for dormitory rooms. Students should bring with them bed linen (all beds in the dormitories are single), covers, blankets, pillows, and any other article which would add to the comfort and attractiveness of their college home. Rugs, curtains or drapes, lamps, pictures, and easy chairs are not furnished and may be supplied by the student.

Books, both new and used, and school supplies may be purchased from the college bookstore.

Girls are asked to bring an evening dress.

All students should have their names stamped on their clothing for identification.

All students are expected to adhere to the following general regulations, and prospective students and new students should note them carefully:

Rooms. Any student who changes rooms or removes or exchanges furniture without the consent of the Dean of Students is subject to a fine of two dollars.

Week Ends. Week-end trips are discouraged as harmful to the best interests of both the school and the student.

College Visitors. A student must get permission from the house counselor or the Dean of Students before having guests overnight in dormitory rooms.

Damage. The student who damages furniture or buildings must pay the expense of the repairs. Each occupant of a room will be held responsible for its care and preservation.

Gambling and Drinking. Gambling and drinking are considered harmful to both intellectual and spiritual growth, and indulgence in either will be regarded as grounds for dismissal. Anyone guilty of possessing or using intoxicating beverages on the campus or appearing on the campus under the influence of beverage alcohol is subject to dismissal.

General Conduct. The college expects of its students loyal and genuine cooperation in maintaining a high standard of conduct. The college therefore reserves the right to demand the withdrawal of any student whose conduct at any time is not satisfactory to the college, although no specific charge may be brought against the student. Matriculation of the student at the college concedes this right.

Automobiles. All automobiles parked on the campus must be registered by proper college authorities. Specific parking areas are provided for students, faculty, staff, and employees of the college. Students must obey traffic regulations issued by the college.

Admission to College

Application for Admission. Upon the receipt of the application for admission and the application fee*, the college will forward to the applicant a high-school transcript form. When the student's credits have been transcribed by the high-school principal, the certificate should be returned to the college by the principal without delay.

Every applicant for admission to the freshman class is required to take the Scholastic Aptitude Test of the College Entrance Examination Board. The test is given in December, January, March, May, and July. It is recommended that the Scholastic Aptitude Test be taken early in the senior year.

Students wishing to make application to take the tests should procure application forms from their secondary schools, or write directly to the College Entrance Examination Board, Box 592, Princeton, New Jersey, or Box 1025, Berkeley 1, California, for the *Bulletin of Information*, which includes an application form and is available without charge. The bulletin lists test centers and gives complete information concerning the tests.

Because of deadlines for filing application to take the College Board tests, the student must make his arrangements well in advance of the testing date so that his application may be received in Princeton or Berkeley by the closing date.

Admission by Certificate or Examination. Students are admitted to the college by either certificate or examination. To be admitted by *certificate* a student must be a graduate of an accredited high

school. To be admitted by *examination* a student must have completed the equivalent of a four-year high school course.

Admission Units. Of the sixteen units required for entrance, the following nine and one-half are prescribed:

English	4	Science	1
Algebra	1½	History	2
Geometry	1		

Six and one-half units may be selected from the following:

Agriculture	2	History of Soc. Studies	3
Biology	1	Latin	4
Botany	1	Music	1
Chemistry	1	Physics	1
Business Subjects	2	Solid Geometry	½
Home Economics	2	Spanish	2
Drawing	1	Speech	1
French	4	Trigonometry	½
H. S. Arithmetic	1	Zoology	1

Admission Deficiencies. Graduates of approved high schools who offer the required sixteen units but fail to meet the plane geometry or algebra requirements may be admitted with the understanding that the deficiency must be made up in one year. Both algebra and plane geometry are offered in the Louisburg College summer school.

Admission to the Business Curriculum. For enrollment in the one-year business curriculum, one unit of mathematics may be accepted as fulfilling the requirements in mathematics for graduates of approved high schools. At least two units of mathematics are required for enrollment in the two-year curriculum.

Admission to Advanced Standing. To be admitted to advance standing, students must present official transcripts of work done in other institutions and statements of honorable dismissal. Credit for work done at other institutions will be given on all work in which the student has received a grade of C, provided the course is taught at Louisburg College.

*This fee of \$10.00 covers the cost of processing the application. The fee will not be applied to later charges or refunded, in the event of failure to be accepted or cancellation of the application.

Registration and Course Changes

Registration. One day of each semester is set aside for student registration. A fee of \$5.00 for late registration will be charged students who register after the day set apart for this purpose. No student will

be permitted to register after the semester has been in session for one week.

Except in the engineering course, the average student load is fifteen or sixteen hours exclusive of physical education, except for part-time students. The minimum load that a student may take is twelve hours of regular college work. A student having a B average will be allowed to take one extra hour per semester; a student having a standing between A and B will be permitted to take two extra hours; and a student having a standing of A will be allowed to take three extra hours. Others must be granted permission by the Dean of the College.

By "hour" is meant recitation of a subject once a week for a semester. Two or three hours in laboratory or physical education count for one hour of recitation.

Change of Courses. A course may be added within two weeks or dropped within three weeks after registration if the change is approved by the student's advisor and the Dean of the College. The forms provided must be fully processed to make approved changes official. There will be a charge of \$2.00 for each course change initiated by the student after registration day.

No credit will be allowed on any course for which the student has not properly registered.

The grade of the student who withdraws from a course without following the official procedure is recorded as an F. The student who withdraws from a course after three weeks will receive an indication on his record as to whether he was passing or failing at the time of withdrawal.

Standards and Regulations

Class and Chapel Attendance. Students are expected to attend and be on time for every class for which they are registered.

Absences from class will be excused for the following reasons only:

- (1) Illness of the student in the college certified by the College Nurse or illness of the student away from college certified in written statement by a physician;
- (2) Representation of the college in an activity certified by the responsible faculty member;
- (3) Death of a member of the student's immediate family certified by the Dean of Students.

When the number of absences in any course for reasons other than those stated above exceeds the number of semester hours earned in

that course, one quality point will be deducted for each excess absence.

Second year students who have earned at least a "B" average during their first year may have two absences per semester hour provided they maintain this average.

Students on academic probation are not allowed any unexcused absences.

Students absent excessively because of prolonged illness or representation of the college in any activity shall forfeit, at the discretion of the Dean of the College, the absences to which he or she might otherwise have been entitled that semester.

Absences from class immediately before or after holidays shall be counted as double absences.

If a student is more than ten minutes late to a class, it will be counted as an absence unless he has a reasonably good excuse. Each teacher will use his discretion in determining the value of the excuse for being late.

Any student who is absent from classes in any course in excess of 20 per cent of the total class meetings, regardless of the reason for absence, will be automatically dismissed with a failing grade for the course.

Regular chapel attendance is required of all students. Each student is allowed one unexcused absence per semester.

The responsibility of keeping up with the number of absences taken and of getting absences excused rests entirely upon the student.

The student must obtain a written excuse from the Dean of the College, Dean of Students, or College Nurse and report to the office of the Registrar before any absence from class or chapel can be excused. If the student is on campus, he or she must apply for the excuse prior to the time of absence.

Examinations. Written examinations are held in all classes at the end of each semester. No deviation from the examination schedule is permitted except by special permission of the Dean of the College.

Grades and Reports. Reports are sent from the Registrar's office to parents or guardians twice each semester. Grades are evaluated as follows:

A—Excellent	4 quality points per semester hour
B—Superior	3 quality points
C—Average	2 quality points
D—Below Average	1 quality point
K—Conditional	0 quality points
F—Failure	0 quality points
I—Incomplete	
W—Withdrawal	

A student is allowed only one semester to make up an incomplete; after a semester I becomes a grade of F and the course must be repeated for credit.

Transcripts. Each student is entitled to one official transcript of his work, provided all accounts with the college are satisfactorily arranged. Requests for additional transcripts must be accompanied by one dollar for each transcript.

Withdrawal. A student withdrawing from the college must notify the Registrar, his respective dean, and the Dean of the College.

Classification. To be classified as a sophomore, a student must have completed 28 semester hours of work with a C average.

Academic Requirements.

1. Any student who fails to attain an average of C on two courses, each of which carries at least 3 semester hours credit, in any semester must appear before the Faculty Board of Review on Student Standards.

2. All students must attain an average of at least a C on five different courses, each of which carries at least 3 semester hours credit, or attain an over-all 1.5 semester hour-quality point average, during the first two semesters, in order to be eligible to enroll for the third semester.

3. At the end of the third semester the student must attain an average of a C on nine different courses each of which carries at least three semester hours credit, or attain an over-all 1.75 semester hour-quality point average, in order to be eligible to enroll for the fourth semester. Any student who fails to meet the minimum academic requirements is ineligible to register for the next succeeding semester unless granted probationary status by the Faculty Board of Review on Student Standards.

Student Representation. To represent the college in public performances, a student must attain at least a 1.5 semester hour-quality point average at the preceding semester or mid-semester grading period. This applies equally to athletic events, deputation teams, organizational conventions, public plays, etc.

Probation. Any student who fails to attain a satisfactory average in one semester will be placed on probation for the following semester.

The college seeks by every legitimate means to stimulate and reward exceptional achievements in all worthy lines of endeavor.

Rewards for Exceptional Achievement

Dean's List and Honorable-Mention List. An honor list is issued by the Dean and Registrar at the end of each semester. A full-time student having a standing of 3.5 (half A's and half B's) for a semester will be eligible for the Dean's List issued the following semester. Honorable mention will be given those students who have a standing of from 3.0 to 3.5.

Honor Graduation. Seniors who have a standing of 3.8 will be graduated *magna cum laude*, and those having a standing of 3.5 will be graduated *cum laude*.

Marshals. The five first-year students who have the highest scholastic averages and are not candidates for graduation are asked to serve as marshals for the commencement exercises. Grades for fall semester and first half of spring semester are averaged.

Honor Fraternities. Six honor fraternities – Phi Theta Kappa, Alpha Pi Epsilon, Beta Phi Gamma, Delta Psi Omega, Alpha Beta Gamma, and Sigma Pi Alpha – have chapters at Louisburg College and are open to students who meet their exacting qualifications.

The Brantley Medals. The Reverend Allen P. Brantley, a member of the North Carolina Conference, awards medals to the man and woman candidates for graduation with the highest two-year scholastic average in each class.

Malone Medal. Mrs. Umphrey Lee of Louisburg has established an annual award for the graduate who has achieved the highest excellence in the field of English. This award is given in memory of Mrs. Lee's father, the late Edwin Hutchinson Malone, a former student at the Male Academy and later a trustee of the College.

The Alpha Pi Epsilon Medal. Annually at commencement Alpha Pi Epsilon, honorary secretarial fraternity, awards a medal to that business student selected by the fraternity and the business faculty as the most outstanding representative of the Business Department in scholarship, activities, strength of character, and general conduct.

The Taylor Dramatic Award. To recognize and encourage interest in dramatic arts, the William Raymond Taylor award pin is presented at commencement to the student judged to have distinguished himself most creditably in the field of dramatics during his college career.

The Sigma Pi Alpha Award. Sigma Pi Alpha, the honorary language fraternity, is giving special recognition for outstanding work in foreign language and all round scholarship. Special consideration is given to outstanding growth during the year.

Curricula

Requirements for Graduation. The courses offered at Louisburg College are centered around three major curricula: General Liberal Arts, Science and Business. Degrees offered are the Associate in Arts (A.A.) degree, the Associate in Science (A.S.) degree, and a business certificate for those completing the one-year business course. Sixty-four semester hours constitute the minimum requirement for the Associate in Arts and the Associate in Science degrees.

The General Liberal Arts curriculum includes the following: Liberal Arts, General Course, pre-ministry and pre-religious education, and supply pastors.

The Science curriculum includes the following programs: emphasis in the biological or physical sciences, pre-dentistry, pre-medicine, pre-nursing, pre-agriculture, and pre-engineering.

The Business curriculum which also carries the Associate in Arts degree, includes pre-business administration, general terminal business, and the one-year business course leading to the one-year business certificate.

BUSINESS

Students planning a degree in business administration are urged to take general liberal arts subjects with certain basic business subjects.

Louisburg College offers business programs of two years and of one year. Upon the satisfactory completion of the two-year business curriculum, the student will be awarded an Associate

in Arts (A.A.) degree. Upon the satisfactory completion of the one-year business curriculum, the student will be awarded a one-year business certificate.

All work taken in meeting the requirements of the one-year business certificate will count toward the Associate in Arts diploma should the student return for the second year.

It is the purpose of the college to give the student taking a business course the necessary business subjects as well as general educational opportunities.

*Students who take Shorthand may take either Secretarial Accounting 141-142 or Accounting 121-122 in place of Business Mathematics and a business elective. It is recommended especially that one-year shorthand students who have no bookkeeping take Secretarial Accounting, which is offered primarily for one-year students and carries no transfer credit. Secretarial Accounting may not be substituted for Accounting 121-122 by those who do not take shorthand.

***Students who enroll in the one-year business curriculum should choose electives from the following: Introduction to Business, Salesmanship, Business Law, Economic Geography, Business Mathematics, Office Machines.

Courses of Instruction

The courses numbered 100 to 199 are designed for the first-year students; the courses numbered 200 to 299 are designed for second-year students. These courses are often interchangeable, but first-year students desiring to take any course numbered 200 or over may do so *only* after consultation with the head of the department concerned. In general, courses ending in odd numbers are offered in the first semester, while courses ending in even numbers are offered in the second semester. Courses ending in 3 or 5 are generally offered in either semester.

Except in unusual cases a class will not be taught unless there are at least five students enrolled for it.

BUSINESS DEPARTMENT

DEPARTMENT OF MATHEMATICS

MISS JOHNSON, MR. BROWN, MR. SNYDER

Mathematics 101. College Algebra

3 or 3

First or second semester: 3 periods a week

This course includes a review of elementary algebra, quadratic equations, the progressions, the binomial theorem, graphs, inequalities, permutations and combinations, and the general theory of equations. Prerequisite: one and one-half units of high school algebra.

Mathematics 102. Plane Trigonometry

3 or 3

First or second semester: 3 periods a week

A study of the trigonometric functions, their use in solving right and oblique triangles, identities, radian measure, and trigonometric equations and graphs. Prerequisites: one and a half units of high school algebra and one unit of plane geometry.

Mathematics 111-112. Engineering Mathematics

5-5

First and second semesters: 5 periods a week

A thorough course in freshman mathematics, especially designed for students who are looking forward to civil, mechanical, electrical, or chemical engineering. The course includes a thorough study of college algebra, plane trigonometry, and analytic geometry. Prerequisite: one and one-half to two units of high-school algebra, one unit of plane geometry.

Mathematics 121. Engineering Drawing

3-0

First semester: 2 single and 1 double periods a week

The use of instruments; lettering, orthographic projections, sections, dimensioning; assembly and detail drawing; and technical sketching, isometric, oblique, and cabinet drawing. Prerequisite: one and a half units of high school algebra, one unit of plane geometry.

Mathematics 122. Descriptive Geometry

0-3

Second semester: 2 single and 1 double periods a week

Representation of geometrical magnitudes by means of points, lines, planes, and solids; a study of surfaces applicable to sheet metal development and screw problems. A large number of practical problems will be solved on the drawing board. Prerequisite: engineering drawing.

Mathematics 201. Analytic Geometry

3-0

First semester: 3 periods a week

This course is a study of plane geometric principles worked out by algebra. Equations of various curves are derived because of some existing geometric condition. The equations are studied also in the light of what geometric curves they produce. Prerequisite: college algebra, trigonometry.

*Offered only if there is a sufficient number of students eligible to take the course.

CREDIT HOURS, PER SEMESTER

Mathematics 211-212. The Calculus

4-4

First and second semesters: 4 periods a week

A study of variables, functions, limits, differentiation, integration, with applications both geometrical and physical. Areas under curves, volumes of solids of revolution, centroids, moments of inertia, force, work are studied in rectangular, polar, and parametric forms. Prerequisite: college algebra, trigonometry, analytic geometry.

DEPARTMENT OF PHYSICAL EDUCATION

MR. FRAZIER, MISS COOKE, MR. SMITH, MR. DRAKE

Requirements. Each student who is working for a degree at Louisburg College is required to register in a physical-education class each semester. Students who have physical handicaps are assigned to classes suited to their particular needs and capacities. Participation in a major sport may be substituted for physical education. Athletic candidates must return at the close of an athletic season to their physical-education classes.

Uniforms. A regulation uniform must be worn by all students taking physical education. This uniform is to be purchased by the students at the Student Supply Store.

Women

Physical Education 101-102. Team Sports 1-1

First and second semesters: 2 periods a week

Physical Education 103-104. Individual and Dual Sports 1-1

First and second semesters: 2 periods a week

Physical Education 112. Recreational Sports 1-1

First and second semesters: 2 periods a week

Physical Education 116-117. Body Mechanics 1-1

First and second semesters: 2 periods a week

Physical Education 118. Restricted Physical Education 1-1

First and second semesters: 2 periods a week

Physical Education 120-121. Tennis 1-1

First and second semesters: 2 periods a week

Physical Education 124. Basketball 1-0

First and second semesters: 2 periods a week

Physical Education 125-126. Golf 1-1

Second semester: 2 periods a week

Physical Education 131. Social Dance. Coeducational Course 1-1

First and second semesters: 2 periods a week

Physical Education 144-145. Square Dance. Coeducational Course 1-1

Physical Education 250. Personal and Community Hygiene 3 or 3
First or second semester: 3 periods a week

Men

Games and sports of an individual and dual nature are emphasized. The basic rules of each game are covered along with terminologies familiar in the individual games. Some of the games are tennis, table tennis, golf, horseshoes, shuffleboard, badminton, and handball.

Physical Education 101-102. Intramural Sports: Basketball, Volleyball, Softball, Soccer, and Speedball 1-1
First and second semesters: 2 periods a week

Physical Education 103-104. Individual & Dual Sports 1-1
First and second semesters: 2 periods a week

Physical Education 120. Speedball 1-0
First semester: 2 periods a week
Fundamentals of speedball are stressed. Skills are not overly stressed.

Physical Education 120-121. Tennis 1-1
First and second semesters: 2 periods a week
Fundamentals of single or double tennis are stressed.

Physical Education 122. Football 1-0
First semester: 2 periods a week
Tag football with the changes necessary for the safety of the student.

Physical Education 123. Softball 0-1
Second semester: 2 periods a week

Physical Education 124. Basketball 1-1
First and second semesters: 2 periods a week

Physical Education 125. Golf 0-1
Second semester: 2 periods a week

Physical Education 126. Weight Lifting 1-1
First and second semesters: 2 periods a week
The fundamentals of weight lifting are stressed.

Physical Education 250. Personal and Community Hygiene 3 or 3
First or second semester: 3 periods a week

A study of the various systems of the body with emphasis on healthful living in today's society.

DEPARTMENT OF RELIGION AND PHILOSOPHY

MR. MCDONALD, MR. GOLDSTON, MR. FARMER, DR. SHINN, MR. VERSTEEG

A study of the principal ideas and beliefs of scripture and tradition. Open only to pastors of churches. Offered when the demand warrants it.

Philosophy 231. Introduction to Philosophy 3 or 3

First or second semester

An investigation of the historical development of philosophy from Thales to Alfred North Whitehead. Elective course open only to second-year students.

Philosophy 232. Philosophy Seminar 0-3

Second semester

A study of the principal systems of western thought. Instructor-directed student research and lecture. Prerequisite: Philosophy 231 and the permission of the instructor.

DEPARTMENT OF SCIENCE

MR. PRUETTE, DR. NEASE, MR. DENNIS, MR. CHADWICK, MR. WASHBURN,
MRS. FRAZIER, MR. ROSE.

Biology

Biology 121-122. General Biology 4-4

First and second semesters: 2 single and 2 double periods a week

A study of the fundamental structure and activity of plants and animals. The practical laboratory sessions will provide illustrations of the basic biological processes.

Biology 101-102. General Zoology 4-4

First and second semesters: 2 single and 2 double periods a week

A study of representative vertebrates and a survey of the animal kingdom with attention to those forms of greater economic importance.

Biology 111-112. General Botany 4-4

First and second semesters: 2 single and 2 double periods a week

A study of the seed plant. A survey of the plant kingdom, beginning with the lower group, emphasizing the importance of bacteria and fungi and continuing with classification and ecology of vascular plants.

Biology 114. General Bacteriology 4 or 4

First and second semester: 2 single and 2 double periods

The study of microorganisms, covering the principles and techniques of bacteriology. Especially for students planning to enter the field of medical technology. Prerequisites: Chemistry 101-102 and two semesters of biology

Chemistry

COURSE NUMBER

CREDIT HOURS, PER SEMESTER

Chemistry 101-102. Inorganic Chemistry 5-5

First and second semesters: 3 single and 2 double periods a week

A thorough course on the fundamental principles of inorganic chemistry including a study of the occurrence, preparation, and properties of the elements and laws which govern their reactions to form the important and useful compounds. Intensive class and laboratory work is required.

Chemistry 201-202. Organic Chemistry 5-5

First and second semesters: 3 single and 2 triple periods a week

The essential principles and reactions of organic chemistry with interpretation through modern electronic structure and mechanisms. The laboratory work emphasizes both micro and semimicro techniques of separation, synthesis, and analysis of organic compounds. Prerequisites: Chemistry 101-102 or 211.

Chemistry 211. Qualitative Analysis 5-0

Second semester: 3 single and 2 triple periods a week

Systematic separation and identification of the important inorganic ions and compounds; emphasis on the principles of analysis with care so that the presence or absence of the various ions in given substances is assured. The course consists of classwork on the principles of analysis and of intensive laboratory work in practice and on identification of unknown substances. Prerequisite: Chemistry 101.

Chemistry 212. Quantitative Analysis 0-5

Second semester: 3 single and 2 triple periods a week

Volumetric, gravimetric, and instrumental analysis emphasizing the chemical principles, stoichiometry, and techniques of neutralization, oxidation reduction, precipitation, colorimetry, potentiometry, conductometry, and pH measurements. Prerequisites: Chemistry 101, 211.

Chemistry 213. Quantitative Analysis 5-0

First semester: 3 single and 2 triple periods a week

A continuation of Chemistry 212 with emphasis on gravimetric and instrumental analysis. Advanced instrumental experimentation includes chromatography, photometric titrations, simultaneous spectrophotometry, and electro-deposition. Prerequisites: Chemistry 101, 211, 212.

Physics

Physics 201-202. General Physics 5-5

First and second semesters: 3 single and 2 double periods a week

Essential principles of physics from the theoretical and practical viewpoints emphasizing the mathematical solution of problems supported by planned and systematic laboratory illustrative exercises; precision measurements and calculations with constant checking with the theory; application of the principles of physics to human activities. Prerequisites: Mathematics 101, 102.

Psychology

COURSE NUMBER

CREDIT HOURS, PER SEMESTER

Psychology 201. General Psychology 3 or 4, or 3 or 4
First or second semester: 3 or 5 periods a week

A general survey of psychology as a behavioral science. Lectures, demonstrations, and outside reading in the areas of motivation, sensory processes, perception, learning, emotion, intelligence, and mental health. (Attendance at the laboratory, which is optional, brings the credit-hour total to 4 hours.)

DEPARTMENT OF SOCIAL STUDIES

MR. MOON, MR. YARBOROUGH, MR. NIXON, MR. L. BUTLER, MR. BENTON,

MR. DEHART, MR. YORK, MR. SMITH

Economics

Economics 201-202. Principles of Economics 3-3
First and second semester: 3 periods a week

A combination of theoretical analysis with historical narrative and discussion of practical problems based on modern economic organization and its development.

Education

Education 101. Orientation 0-
First semester

This course is required of all freshmen for the purpose of promoting academic and social adjustment to college.

Education 125. Introduction to Education 3 or 3

Having had a foundation in terminology and procedures of social study, the student is directed toward specific problems in contemporary society. What are they? What can be done to live with, change or eradicate them? Prerequisite: Sociology 201.

Expenses

Financial Aid and Scholarships

Louisburg College is a non-profit institution. Its purpose is to give ambitious and purposeful young people the opportunity to get two years of college education. Through the years, thousands of friends have donated the resources of the college in land, buildings, equipment, operational expenses, and endowment. The teachers also have given devoted service. Consequently, the college has been able to keep its expenses to an absolute minimum.

However, the actual cost per student greatly exceeds the amount charged the student. Taking into consideration the cost of the buildings, depreciation, equipment, instruction, maintenance, operational expenses, and room and board, the cost per student for the student body of about 700 is estimated to be over \$1,500 a year. Total charges to students, however, run considerably less than this amount.

The college reserves the right to revise charges whenever conditions demand such revision.

LOUISBURG COLLEGE EXPENSES, 1966-67

***Fees such as Laboratory, Use of Typewriter, Business Machines, etc., will be charged extra. All students are required to buy accident insurance through the college at a nominal cost. Health insurance is optional.

Excess Hours. There is a charge of \$5.00 per semester hour for each hour over and above the maximum number of hours required for a curriculum in which a student is registered.

Special Damage. The occupants of a room are held responsible for any unnecessary damage to the room or to the furniture and must pay for such damage before being permitted to take an examination.

Terms of Payment. The above schedule of charges and the following terms have been officially adopted by the Board of Trustees, and the college administration is obligated to adhere to it strictly.

All payments are to be made in advance of each semester.

Withdrawals. If a student withdraws voluntarily or is suspended for improper conduct, there will be no refund on the account. Those who withdraw on account of illness or other providential causes will receive a refund on board and room rent in proportion to the time they are overpaid.

Other Information. Out-of-town students will be required to board and room at the college, where they will receive the benefits of the college home life, except in cases where at the requests of their parents, they live with relatives in Louisburg. If the dormitories are full, men students may secure room and board in such homes as are approved by the administration. Student living in the dormitories or renting rooms in the community are required to get their meals in the college cafeteria.

Students will consult the college authorities before making arrangements to live outside of the college.

The general fee includes the services rendered by the infirmary, but students who need the attention of a physician are responsible for all charges incurred.

Books, laboratory supplies, sheet music, athletic uniforms, and stationery are sold by the college bookstore and the student supply store at regular list prices for cash. The approximate cost of books per year is \$75.00.

STUDENT FINANCIAL AID

For students who are financially unable to meet the full expense of attending college, Louisburg College offers assistance in the form of scholarships and loans. Through the years friends of the college have contributed funds to the endowment with the expressed desire that the income from such funds be used to help worthy students. For students who can satisfy the college administration as to their need for help, the Board of Trustees authorizes the awarding of a number of scholarships. Three types of financial help are available: (1) free scholarships, (2) service or labor scholarships, and (3) loans. Most work and free scholarships are valued from \$150.00 to \$250.00.

Application and Amount. Application for financial aid must be made at the time the student applies for entrance to the college, on the standard Louisburg College form.

The student who applies for a service scholarship should ask for the smallest possible amount with which he can meet his college expenses for a year, since a large number of hours of work will reduce his chances of doing well in his studies.

Types of Work. The student should apply for the kind of work in which he has had experience. For office work, dictation and typing are necessary. General work such as that in the kitchen, in the cafeteria, on the campus, etc., is open to all students regardless of experience. As the number of positions in each type of work is limited, it is impossible to appoint every student to the work for which he applies. Office and library positions are usually given to second-year students who have had special training at Louisburg College.

Remuneration. The hourly rate of pay is governed by the type of work and the skill of the student.

Memorial Scholarships, Endowments, and Loan Funds

The Benjamin N. Duke Endowment. Mr. Benjamin N. Duke, the donor of Louisburg College to the North Carolina Conference of the Methodist Church, gave the sum of \$100,000, part of which has been used as endowment and part for permanent improvements.

The James A. Gray Trust Fund. Mr. James A. Gray of Winston-Salem, North Carolina, has established a trust fund for several North Carolina institutions. Louisburg College was designated as the recipient of \$50,000 of this fund, which has been added to the college endowment.

W. L. Maness Endowment. The Reverend W. L. Maness and friends have donated to the college the amount of \$350, which has been added to the general endowment.

The Benson Living Memorial Scholarship Fund. The Benson Living Memorial Scholarship Fund, now amounting to \$1,043, was given by the Benson Methodist Church, Benson, North Carolina, in memory of the members of that community who fought and died in World War II. The trustees reserve the right to choose the recipient of the income from this fund.

The George and Inez Breitz Memorial Scholarship. This scholarship, the principal fund of which is \$939, is established by the Edgerton Memorial Church of Selma, North Carolina, and the interest of the fund is to be awarded each year to a student chosen by the Edgerton Memorial Church.

The Bynum Charge Memorial Scholarship. A memorial scholarship in the amount of \$650 has been established by the Bynum Charge of the Durham District of the North Carolina Conference.

The Mather D. Dorman Scholarship Fund. The Mather D. Dorman Scholarship Fund of \$1,000 was given by the members of the Elevation Methodist Church of the Benson Charge, Raleigh District, North Carolina, in memory of Mr. Dorman, who was a faithful member of the Elevation Church for thirty-one years. The trustees of the Elevation Methodist Church reserve the right to designate the recipient of the income from this fund.

The Winfield Scott Gardner Memorial Scholarship. The Winfield Scott Gardner Memorial Scholarship of \$1,500 was established by the Warrenton Charge of the Rocky Mount District. The income from this fund is to be used by a student from the Macon Church or Warren County. If no student is enrolled from this church who is in need of such financial assistance, the income is to be granted to any other worthy student.

The Lucy Fuller Hartsfield Memorial Scholarship. In gratitude for her devoted service to her church and college, friends have established at Louisburg College the Lucy Fuller Hartsfield Memorial Scholarship. The interest from this scholarship of \$420 is to be applied toward the expenses of a worthy student, preferably from Wake County.

The Wayman Chalmers Melvin Memorial Scholarship. In gratitude for thirty-seven years of devoted service to the Linden community, friends have donated \$1,000 to establish at Louisburg College the Wayman Chalmers Melvin Memorial Scholarship. The interest of this fund is to be applied annually toward the expenses of some worthy student, preferably one from Harnett County.

The Thomas G. Moore Memorial Scholarship. Mrs. Alice Newberry Moore, of Washington, North Carolina, has established in memory of her husband, Mr. Thomas G. Moore, the Thomas G. Moore Memorial Scholarship of \$2,000, the interest from which will be available to worthy students.

The Abraham Josiah and Alice Bowen Newberry Memorial Scholarship. In memory of her parents, Mr. Abraham Josiah Newberry and Mrs. Alice Bowen Newberry, Mrs. Alice Newberry Moore, of Washington, North Carolina, has established a scholarship of \$2,000, interest from which will be used to aid worthy students.

The Walter Patten Memorial Fund. The Walter Patten Memorial Fund, which to date amounts to \$5,545, was established at the suggestion of the Board of Trustees in memory of Dr. Walter Patten, president of Louisburg College from 1939 to 1947. Donations to this fund should be sent to the Treasurer of the college.

The Thomas Arrington Person Scholarship. Mrs. Annie Mason Person has established, in memory of her late husband, Thomas Arrington Person, a fund of \$5,000, the annual interest from which is used to provide scholarships for deserving students, preferably for students preparing for the Methodist ministry or for other religious work.

The Carrie Winstead Shore Memorial Scholarship. A memorial scholarship fund of \$3,200 was established in honor of Mrs. Carrie Winstead Shore by the Person Charge on the Durham District. Mrs. Shore was the wife of the Rev. J. H. Shore, who for many years was a member of the North Carolina Conference.

The Mary Clyde Singleton Scholarship Fund. The Mary Clyde Singleton Scholarship Fund of \$1,000 was established by Mrs. Floyd Johnson, of Whiteville, North Carolina, in honor of her sister, who attended Louisburg College. The income from this fund is to be granted to some worthy student interested in Christian education.

The Albert E. Smoak Memorial. The family of Albert E. Smoak, Aberdeen, has given to Louisburg College \$500 to perpetuate his memory upon the campus. Albert E. Smoak, who was graduated from Louisburg College in 1942, was killed in action on Iwo Jima.

The Sally K. and Amy J. Stevens Memorial Service Scholarship. The Sally K. and Amy J. Stevens Memorial Service Scholarship, the principal of which is \$5,703, was established in 1937. The annual interest from this scholarship is to be awarded to students preferably from Wayne County.

The James Terry Memorial Fund. The James Terry Memorial Fund, now amounting to \$1,000, was given by the Rougemont Charge of the Durham District in memory of James Terry, who lost his life in World War II.

The Richard Cameron Tyson Memorial Scholarship Fund. The Richard Cameron Tyson Memorial Scholarship Fund of \$3,000 was given by Calvary Methodist Church, Durham, North Carolina, in memory of Mr. Tyson, the only member of that church to lose his life in World War II. The income from this fund is to be used to assist preferably students from Calvary Methodist Church.

The T. B. Upchurch, Sr., and Mollie Johnson Upchurch Memorial. Mr. T. B. Upchurch, Jr., Raeford, North Carolina, has established in memory of his father and mother, Mr. T. B. Upchurch, Sr., and Mrs. Mollie Johnson Upchurch, a scholarship fund of \$2,625, the annual interest of which is to provide a scholarship for some student who plans to major in English.

The Warren Scholarship. The Jesse Warren and Helen Warren Scholarship was given by the Aurora Charge of the New Bern District in the amount of \$700. The annual income from this fund is to be awarded to a worthy student from Warren's Church. If no student from Warren's Church is enrolled, it will be used to assist a student from either Aurora Church or Campbell Creek Church.

Alpha Pi Epsilon Scholarship. The Louisburg College Chapter of Alpha Pi Epsilon, national secretarial society, has established an endowment scholarship the sum of which is now \$915. The income from the fund is to be used in the education of business students.

The Amick Scholarship. Mr. C. C. Cranford, Asheboro, North Carolina, has set up a scholarship fund for the purpose of honoring his friend and former teacher, Dr. T. C. Amick. The principal of this scholarship is now \$4,280. This is a perpetual fund, and only the interest on the fund may be used for the scholarship. It is awarded annually to that liberal arts or engineering student in Louisburg College who, in the opinion of the Committee on Awards, is most deserving. The person accepting this scholarship must declare his intention of continuing his liberal arts or engineering course until he has completed his second year of college work.

The Burney Scholarship. Mr. A. L. Burney, Southern Pines, North Carolina, has established a scholarship fund of \$3,000. This is a perpetual fund. A scholarship of \$200 will be given to any worthy boy or girl in Moore County. Students who are interested in this scholarship should write Mr. Burney by August 1st.

The Davis-Allen Service Scholarship. In recognition of the generosity and devotion of Mr. and Mrs. Ivey Allen to the education of youth, Louisburg College has established the Davis-Allen Service Scholarship in the amount of \$75. This sum is to be allotted to esteemed and ambitious students who desire to earn part of their expenses at Louisburg College.

Franklin County High School Scholarship. A scholarship of \$100 is awarded to one student in each high school in Franklin County upon the recommendation of the principal of the high school. The scholarships are awarded by the Board of Trustees of Louisburg College in appreciation of the donations and services to the college of the citizens of the Town of Louisburg and Franklin County.

The Goldston Charge Endowment Scholarship. An endowment scholarship fund of \$1,081 has been presented by the Goldston Charge of the Fayetteville District.

The Grover Cleveland Lytle Scholarship Fund. Through gratitude for untold blessings, Mr. Grover Cleveland Lytle has donated the sum of \$500 to Louisburg College, the interest of which is to be used annually for scholarship purposes.

The Reverend L. H. Joyner Service Scholarship. The Reverend L. H. Joyner Service Scholarship of \$15 annually is to be awarded to a ministerial student upon the recommendation of the president of the college.

"Doc" Elam Working Scholarship for Student Athletic Trainer. This scholarship, a bequest of the Franklin County Medical Society, is dedicated to the late Paul W. ("Doc") Elam, druggist, sports enthusiast, and staunch friend of Louisburg College. It is awarded to the pre-medical or pre-pharmacy student selected by a faculty committee and approved by the college physician. Preference is given Franklin County residents. The student agrees to serve as athletic trainer for the college teams during the tenure of the scholarship. The amount is \$300.00 annually.

The Carol Bessent Hayman Scholarship. The Carol Bessent Hayman Scholarship is given by Dr. Louis D. Hayman, Jr., in honor of his wife, Carol Bessent Hayman. This scholarship provides annually \$150.00 for any deserving North Carolina student at Louisburg College. The recipient of this scholarship shall be named by the president of the college.

National Methodist Scholarships. The Board of Education of the Methodist Church makes available to Louisburg College three scholarships annually amounting to tuition and fees. Students in the upper 15 per cent of their high-school senior class and in financial need are eligible to apply. For information, write Scholarship Committee, Louisburg College, Louisburg, N. C.

Pittman-Frizzelle Scholarship. Mr. and Mrs. J. B. Frizzelle of Maury, N. C., have set up a scholarship to aid young women from Greene County. The scholarship, amounting to about \$600 annually, is to be used at the three Methodist colleges located within the bounds of the North Carolina Annual Conference of the Methodist Church—namely Louisburg College, the Methodist College at Fayetteville, and North Carolina Wesleyan College, Rocky Mount. Young women from Greene County interested in this scholarship should write Executive Director, North Carolina Conference Commission on Higher Education, Box 1006, Raleigh, North Carolina.

The North Carolina Methodist Conference Scholarships. One-half of tuition charges will be awarded to ministerial students and to sons and daughters of Methodist ministers of the North Carolina Conference.

The North Carolina Conference Woman's Society Scholarship. The Woman's Society of Christian Service of the North Carolina Conference offers three scholarships annually to young women who choose to attend Louisburg College, Methodist College and North Carolina Wesleyan College. The amount of the scholarship is \$500. Application blank and further information may be secured from the president of the college or the District Scholarship Committee of the Woman's Society.

The Stanback Scholarship. Mr. T. M. Stanback, Salisbury, North Carolina, has donated the sum of \$6,000, which is to be used each year as a source for scholarships known as the Stanback Scholarships.

The Steele Street Methodist Church Scholarship. An endowment scholarship fund of \$1,000 has been established by the Steele Street Methodist Church, of Sanford, North Carolina.

The John Jesse Myrick and Mrs. Emma Brown Harris Myrick Scholarship Fund. Mrs. Emma Myrick Rose of Henderson, North Carolina, has established an endowment scholarship fund at Louisburg College in memory of her parents, John Jesse Myrick and Mrs. Emma Brown Harris Myrick. The principal sum of the scholarship fund amounts to \$20,000, the annual income from which is used for scholarships to aid deserving young people from Vance and Warren Counties. Any of the income from this fund not used by students from these two counties may be used to aid other worthy students enrolled at Louisburg College.

Valedictorian Scholarships. A scholarship of two hundred dollars is granted to each high-school valedictorian who enrolls at Louisburg College.

The Thomas W. and Mary Rosser Wheless Scholarship. The Thomas W. and Mary Rosser Wheless Service Scholarship of \$100 annually was made possible by their gift to the college of valuable property. This award is to be made preferably to students from the Aurelian Springs or Warrenton high school upon the recommendation of the high-school principal.

The E. L. White Scholarship. Mr. E. L. White, a member of Grace Methodist Church, Wilmington, North Carolina, has given \$500 to the endowment of Louisburg College. The income from this gift is to be used for scholarship aid.

The John Henry Shore Memorial Scholarship. The John Henry Shore Memorial Scholarship of \$3,200 is given by Mary W. Shore and Lucile Shore Colburn to honor their father, Reverend John Henry Shore, who for fifty-nine years was a minister in the North Carolina Methodist Conference. It is the desire of the donors that the income from this trust be used to aid and assist worthy and needy young men students who are preparing themselves for the ministry in the North Carolina Conference, Southeastern Jurisdiction, of the Methodist Church.

The C. Wade Goldston Scholarships. This fund, with a goal of \$50,000, is being provided by the brother of Mr. Goldston, Mr. William J. Goldston of Houston, Texas, and friends of Mr. Goldston. The income is used toward the payment of tuition of supply pastors, young people preparing for full-time Christian service and sons and daughters of Methodist ministers. Awards are made on the basis of scholarship, character, seriousness of purpose and financial need.

Trustees Scholarships. Twenty scholarships covering full tuition. Requirements: B- average or in top 15% of high school graduating class, minimum of a total of 900 on College Board scores, excellent character, good leadership ability, and evidence of financial need.

Twenty scholarships covering one-half tuition. Requirements: B average or in top 25% of high school graduating class, minimum of 800 on College Board scores, excellent character, good leadership ability and evidence of financial need.

Forty \$100 grants. Requirements: B average or in top 50% of high school graduating class, minimum of 800 on College Board scores, excellent character, good leadership ability and evidence of financial need.

The Lina and Robert Welch Scholarships. Mr. James O. Welch of Cambridge, Massachusetts, has set up two \$500 scholarships to be awarded annually in honor of his mother, Mrs. Lina Welch of Louisburg and in memory of his father, the late Robert Welch. The Lina Welch Scholarship is awarded to a young woman with high academic achievement, especially in English. The Robert Welch Scholarship is awarded to a young man of high academic achievement, especially in mathematics. Other qualifications are seriousness of purpose, good personality, general and wide interest and financial need.

Loan Funds

James E. and Mary Z. Bryan Loan Fund. The James E. and Mary Z. Bryan Foundation of Raleigh, N. C., is contributing the sum of \$5,000 to the loan fund of Louisburg College. The first installment of \$1,000 was received in 1960, and \$1,000 is being contributed annually until the total amount is received.

Methodist Student Loans. The Board of Education of the Methodist Church makes available a limited number of loans to students who are active members of the Methodist Church. The loans carry a very low interest rate. For further information write Scholarship Committee, Louisburg College, Louisburg, N. C.

National Defense Student Loan Program. Louisburg College is one of the institutions of higher learning participating in the National Defense Student Loan Program. Qualified students enrolled in the college who need financial aid may apply. Interest at 3 per cent begins after the student leaves college.

Julia H. Lane Loan Fund. The family of the late Mrs. Julia H. Lane, who was a member of the Asbury Methodist Church in the New Bern District, has established a loan fund in the amount of \$745.30 to be used to aid students preparing to serve as ministers in the North Carolina Conference of the Methodist Church.

American Legion Auxiliary Loan Fund. In memory of Major Samuel P. Boddie of Louisburg, the American Legion Auxiliary of the Jambes Post No. 105 has established a loan fund in the amount of \$500 at Louisburg College. The principal will be used to make loans to deserving children of veterans enrolled at Louisburg College. In the event no request is made by children of veterans, preference will be given deserving Franklin County students. The fund is administered by a committee composed of the president and dean of Louisburg College and the president and a member of the American Legion Auxiliary of the Jambes Post No. 105.

The Men's Bible Class of the Divine Street Methodist Church of Dunn in 1939 established a student fund of \$500. This sum is to be used as a loan to worthy students from Harnett County.

Stanback Loan Fund. Dr. T. M. Stanback of Salisbury has set up a loan fund in the amount of \$5,000.00 to be used as a loan to worthy students.

The Margaret Long Loy Loan Fund. In memory of Mrs. Margaret Long Loy, her husband and sons, Reverend William Lawrence Loy and Vance and Lynn Loy, have established a loan fund at Louisburg College which is now valued at \$300.00.

Tuition-Payment Plan

Students who wish to pay their college fees on a monthly basis may do so through tuition payment plans offered by First-Citizens Bank and Trust Co. of Charlotte, N. C., and Education Funds, Inc., Providence, R. I. Interest charges are nominal. Information may be received by writing the college.

Deferred Payment of Education Costs

For students and parents desiring to pay education expenses in monthly installments, a low cost deferred payment program is available through Education Funds Inc., a nationwide organization specializing in education financing.

All EFI plans include insurance on the life of the parent and the student, total and permanent disability insurance on the parent, and trust administration in event of the parent's death or disability. Contracts may be written to cover all costs payable to the college over a four year period in amounts up to \$14,000.00.

Parents desiring to use this financing plan should write to the Director of Admissions, Louisburg College or Education Funds Inc., 10 Dorrance Street, Providence, Rhode Island 02901.

Bequests to Louisburg College

Contributions to Louisburg College are needed and welcomed. These donations may be gifts with specified or unspecified purposes, or they may take the form of annuities or any kind of properties.

A memorial scholarship established by the gift of an endowment fund is one of the most acceptable ways to memorialize a loved one. Such a fund each year proves a blessing to the donor, the recipient, and the loved one, whose life of service is kept in constant memory.
